INSTALLATION INSTRUCTIONS
C38-XX SERIES SYSTEM JUMPER CORDS

DESCRIPTION

C38-XX Series System Jumper Cords provide intercom connection between Series 3800 Intercom System Modules. When the C38-XX is connected to any variant of Headset Station or Intercom Junction Module, that connected module becomes part of the intercom system.

INSTALLATION

The C38-XX has 2 each 4-pin military type screw-on connectors (one on each end). Install as follows:

   a. Align key-way slot on cord connector with key in threaded connector on module.
   b. Insert pins into socket until firmly seated.
   c. Hand tighten swivel nut on cord connector
