

**INSTALLATION INSTRUCTIONS
 40071G-04 FOOTSWITCH ASSEMBLY**

DESCRIPTION

The 40071G-04 Footswitch Assembly has a 15 foot cord which interfaces with the remote PTT connector on U3813, U3815, or U3815A Radio Interface/Headset Station Modules.

INSTALLATION

1. The 40071G-04 Footswitch Assembly has a military type screw-on connector. Install as follows:

Connect the 5 pin (male) MS connector of the footswitch cord to the "Remote PTT" connector on the U3813, U3815, or U3815A Radio Interface/Headset Station.
