## SERIES 8500 PRO-AUDIO/VIDEO

Production teams for major public and broadcast events rely on each other to produce the finest presentations possible. In sporting arenas, rock concerts, on-the-scene reports, and in local and network television studios, effective communications is the key to exceptional job performance.

David Clark Company now offers a complete line of Pro-Audio/Video specific headsets with XLR connectors, USB and 3.5mm computer headsets as well as DC's new Aurora products. Discerning professionals depend on the outstanding durability, the exceptional performance and effective communications provided by DC headsets. It's a headset you can comfortably wear all day in such applications as these:

- Public & broadcast events
- Sporting arenas
- Rock concerts
- Front of House
- Tour groups
- Industrial manufacturing
- Mobile work groups
- Television studios

## UNDERCUT COMFORT-GEL EAR SEALS

Softer, more supple and form fitting with an "undercut" shape that provides more room for your ears. The larger, yet lighter, ear seals cradle the ears with unsurpassed comfort. Compatible with all David Clark Company Pro-Audio/Video headsets.

**P/N 40863G-02** (1 pair)

## SUPER-SOFT HEADPAD

Made of super-soft foam with a cloth cover or natural black-dyed sheepskin, these replacement headpads place a soft cushion on top of your head, eliminating discomfort from "hot spots".

**P/N 18900G-45** Super-Soft Foam

**P/N 40592G-01** Sheepskin

## EAR SEAL COMFORT COVER

Soft, double-knit, 100% cotton ear seal cover. Perfect for hot, humid weather. Absorbs perspiration and is washable. Fits all David Clark Company Pro-Audio/Video headsets.

**P/N 22658G-01** (1 pair)

## SUPPORT ASSEMBLY

For H8542 behind-the-head style headset, adjustable with hook-and-pile fastening system, attaches to headset to provide support.

**P/N 10370G-03**

## "STOP-GAP" EYEGGLASS FRAME CUSHIONS

Enhance your hearing protection and communication with soft eyeglass cushions. Placed on eyeglass frame at the temple position, Stop-Gaps provide added comfort and stop noise from leading into ear through the ear seal.

**P/N 12500G-02** (1 pair)

## HEADSET CARRY BAG

This fitting complement to any David Clark Headset has been carefully chosen for its simplicity, quality and workmanship. Split front pockets and full-size, full-width rear pocket. Black on black with DC logo in lower right corner.

**P/N 40688G-08**

## NEUTRIK XLR CONNECTORS

4-Pole XLR connector (NC4FX –female; NC4MX – male), die-cast shell, nickel housing, silver contacts, robust and compact design, 4 piece assembly (no set screws), chuck-type strain relief, UL-recognized component.

**P/N 09228P-64 female**    **P/N 09227P-66 male**

*"Few of us consider service when we make a purchase decision. We only appreciate the value of service when we need it. When you buy from David Clark Company you're buying a commitment to total service. All the time. We believe "service" means much more than just repairing things. Our entire organization is dedicated to serving you. Highly qualified professionals are available to answer your questions, provide service and give you help with all your David Clark Company product needs."*
